

Wadsworth, Lee

Feb 1914

February 18th, 1914

Mr. Lee Keedick,

150 Nassau Street,

New York City.

Dear Sir:

The Warfleet Lectureship is a lectureship with a purely academic object, and is not in any sense a popular course of lectures. Ex-President Taft is to give the first series of lectures during the coming session, and there is no opportunity for any other taking part in the course for some years to come.

Yours sincerely,

President.
